Agenda

ASSET

- See slides for details
- Explained what asset is and what they want to accomplish
- Want to make improvements to our education and our program
- Explained pilot programs
- Discussed the want for student involvement and feedback. Students can now have a big impact on their future education
- Many well-respected professors are involved in the committee
- Bigger impact possible on classes in the college, but want to hear feedback about all classes in the curriculum

- Please fill out the survey,
- Don't get caught up in negative feedback. We need criticism but make it constructive. Also feel free to recognize professors who are doing a good job.
- Surveys are anonymous
- creating crafted pieces

Wood Technology Presentation

- Explained what the wood technology program is
- Can count for Fine Arts credit
- Program has been around since early 1800's
- visit www.ceas.uc.edu/wood for details about the program
- Teaches how to make furniture, not a class about exams
- There are many different classes available with openings next semester
- There's a class for almost anything
- Certificate program
- Shuttles from campus to VPC
- Register on onestop, search under CBMK discipline
- Contact Mark.Costello@uc.edu

Announcements

- Taps for Tanzania this Friday (see slide for details)
- SWE t-shirt table in 2 weeks in Baldwin lobby (see slide for details)
- Raffle

The next meeting will be held on 12/01/2014 at 5:30 in Zimmer Auditorium.

Meeting adjourned at 6:10 pm.
