 - Looking at adding this to the college
 - Meant to supplement mechanical, chemical, etc.
 - Hope is that offering this will increase the number of women in the college
 - We're currently less than the average for percentage of females
 - Trying to hit 20% female
 - Only at 19.6%
 - Advisement council told Dean Lim to set new goal
 - Want to increase number of women and retention
- Concealed carry
 - If you have thoughts, talk to Khaled or Tim
- Paying for things
 - If you pay for something and turn in a reimbursement sheet, send a message to Emma
 - Emma talked to Wendy and a lot of things can go through internal account
 - This just means you must plan in advance
 - But it'll keep you from paying for it out of pocket and waiting to reimbursement
 - Talk to Wendy
 - If you don't want to, tell Emma and she'll help you

 - Khaled is good and well
 - Sam for being a good sport
 - Matt and Elijah for running resume review day
