Review Day

- Assisting with Spring 2018 Career Fair

Alternate for several Senate Meetings

Why am I running for CEAS Senator?

- I want to make it easier for students to get access to valuable resources

Platform

- Represent students and organization leaders in Student Government
- Increase student accessibility to campus resources, academic and personal
- Improve study spaces in Baldwin, Rhodes, and Langsam
- Execute ideas suggested by CEAS students

Michael Frederick

Third Year, Chemical Engineering

Background:

- STEMulates Mentor
- Tutor for students in the E³ Summer Bridge Program

Why am I running?

- I believe that my unique perspective as a member of several underrepresented student groups within the college qualifies me to sufficiently address the problems that CEAS faces while also maintaining inclusivity and upholding intersectionality

Platform Points:

- Diversity: Foster a welcoming environment in CEAS through the creation of programming and events that focus on involvement of underrepresented student groups
- Transparency: Bring the interests of student body to the forefront of college operations by making information more readily available
- Accessibility: Provide adequate additional support and resources to bolster the physical and mental health of CEAS students

Our Purpose

- We serve as the CEAS Branch of Student Government
- What we do:
 - Academic Representation
 - Fun Programs and Events
 - Initiatives that better student experience in CEAS
