

# SPONSORSHIP PACKET

## April 8, 2025

**The CEAS EXPO** is for senior engineering students to showcase all they have learned through their undergraduate classes and co-op experiences the past five years. These students have worked for the past year developing their final capstone project and are excited to present it to you and the professional community.

**As a sponsor**, you will not only be able to network with these accomplished students, but the underclassmen who will soon be in their shoes too. We expect to have an equal number of first through fourth year students in attendance to network with you and observe the senior presentations.

### 2025 ESTIMATION OF NUMBERS

200 - 250  
Teams

750 - 1000  
General Attendees

# SPONSORSHIP PACKET

**As a sponsor** you will be able to judge a variety of capstone projects related to your industry. We will provide you with a rubric and general judging parameters. Platinum and Boldly Bearcat sponsors will also be invited to a very select post-EXPO Reception with some of the top student leaders from across CEAS, held before the Opening Ceremony of the 2025 CEAS EXPO. Depending on the tier you choose, you could have the opportunity to have a booth of your own for students to visit.
